This film traces the history of oil and its
social, political and economic impact on
society. Interviews with industry insiders,
combined with historical and often enter-
taining footage will leave you thinking
about how we have let this “black gold”
hold us in its thrall.

Featuring Seth Warren and Tyler Bradt

Gibsons United Church Hall 3pm

724 Trueman Road

By donation

A fun and inspiring petroleum-free road trip adventure of 2 friends who are also world-class kayakers. They travel over 21,000 miles from Alaska to Argentina in a retro-fitted Japanese fire truck converted to run on any kind of natural oil.

The winner of many film festival awards, this is an enthusiastic and amazing tribute to ingenuity and passion for adventure.

This event produced by the

GO GREEN TEAM

We believe that one person can make a difference

- With a mind that is open and aware
- With a heart that seeks the truth
- With a spirit that is willing to serve

And that a small committed group can change the world.

We show and discuss films with environmental/social themes the 1st Friday of every month.
